

How to create a Facebook Fundraiser for Taylor's Gift In 6 easy steps!

- 1** From a desktop, visit the [Facebook Fundraiser Page](#) and click on the Raise Money button on the left side of the page.
- 2** Select "Nonprofit" in the box that pops up.
- 3** Select the desired nonprofit by searching for Taylor's Gift Foundation
- 4** You will see your personal Profile, along with any other Pages you admin that can create Fundraisers. Select the Page you want to create the Fundraiser from.
- 5** On the left side of the page, choose a fundraising goal, currency, deadline, and title of your fundraiser. Share why you are doing this fundraiser - speak from your heart! Here's an example of a description:

For my birthday, I am raising funds for Taylor's Gift Foundation. This non-profit is important to me because my dad was an organ donor and saved lives. I love their mission of providing grief support to donor families and I ask that you join me in raising \$500 for their important mission.
- 6** Finally, pick a cover photo, hit Create. Your Fundraiser will be live to the public!
